SUMMER BITS EXPLAINED

WRITTEN BY DOUGLAS FAIR

'Schools Out For Summer'

My son and I sing this song every year on the last day of school. Life during the summer months can often get crazy. We might take that summer vacation, our kids are off to church camp, and we are pulled in hundreds of different directions. It's a great time and I love summer! **Heritage Christian College Foundation** wants to try keep you informed on what is going on at HCC, even while you are off enjoying the summer months.

So we are introducing **SUMMER BITS**, a weekly E-newsletter that will contain some highlights, important updates, and some exciting new HCC student profiles that we have been working on. I hope you enjoy the casual format, so please feel free to send me questions you would like answered, or ask me to highlight a particular area of HCC that you would be interested in learning more about.

Contact me at: doug.fair@hccf-usa.org and let me know what you want to see in the upcoming editions of **SUMMER BITS**.
