THE
R.U.M.A.D.
CHALLENGE
2019

ARE YOU MAKING A DIFFERENCE?

The R.U.M.A.D. Challenge is accepted!

This February we officially launched the **R.U.M.A.D. Challenge** as the students and faculty from Thurman Francis Arts Academy in Smyrna, Tennessee met with HCCF-USA and committed to completing their challenge. The R.U.M.A.D. Challenge, which is an acronym meaning **ARE YOU MAKING A DIFFERENCE**, was designed to allow young people, who have a passion and desire to tangibly **MAKE A DIFFERENCE**, a vehicle to tell a compelling story and help the Foundation raise funds for a special cause.

This year the challenge will be focused on two areas, scholarships and water. Our goal for this year is to raise \$100,000 for scholarships and \$75,000 for septic management and clean drinking water on campus, with a hope of bottling water to reduce costs to the campus and potentially generate new revenue.

The food scholarship campaign will allow the students at Heritage Christian College to focus on their studies by receiving additional well-balanced

nutritious meals to be provided under their scholarship plan.

HCC is also undertaking an improvement project that will help increase the availability for clean, filtered water to all students and faculty at Heritage Christian College. This project will require the addition of at least five new wells to be drilled, as well as various water catchment and purification projects implemented that will ultimately reduce the need and expense for purchasing bottled or clean water for use on the HCC campus.

Please join the students at Thurman Francis Arts Academy and other students around the world as we continue to find creative and fun ways to answer the question: **ARE YOU MAKING A DIFFERENCE?** For more information on how your school, business or church group can start your R.U.M.A.D. Challenge, go to www.hccf-usa.org or contact Doug Fair, Director of Development for HCCF-USA at: doug.fair@hccf-usa.org

**National
Accreditation
Board - Ghana**

HCC Granted Institutional Re-Accreditation

Heritage Christian College has been granted Institutional Re-accreditation by the National Accreditation Board of Ghana. This accreditation is good for 5 years.

A letter signed by the Ag. Executive Secretary of the National Accreditation Board, Dr. Kingsley Nyarko said, "The National Accreditation Board, at its 115th meeting held from 13th to 14th December, 2018, approved the grant of 5 (five) years' institutional re-accreditation to Heritage Christian College, Accra to continue its operations as a private tertiary education institution in Ghana with effect from 1st April, 2018 to 31st March 2023."

Located in a serene environment in Amasaman, Accra, HCC was first accredited in April 2015 to operate for 3 years. In 2018, the National Accreditation Board reviewed its operations and granted a 5-year Institutional Re-accreditation to the university. This follows a very rigorous holistic exercise that assessed the physical infrastructure, distinctive offers, library facilities and resources, financial standing, faculty and staff, student enrollment among others.

This is excellent news! Please join us in praise and continued prayers for the leadership, faculty, and students as HCC enters its fourth full year of operation.
