A GLOBAL DAY OF UNITY

*As more people around the world suffer, we've seen a surge in global kindness and people taking proactive steps to generate solutions for all. From grocery shopping for the elderly to delivering meals or offering free classes online, acts of kindness during the coronavirus pandemic are providing uplifting moments of joy in a world beset by anxiety. These stories of giving have been surfacing around the world. And as these small actions repeat - and scale - we see a habit of daily kindness emerging globally. As we get ready for #GivingTuesdayNow, we find hope in these stories of audacious generosity. **'We must use time wisely and forever realize that the time is always ripe to do right'.** Nelson Mandela*

In times like this, we're reminded of how interconnected we all are. Thank you for being part of our community at Heritage Christian College, Accra, Ghana. Without you, none of it is possible. We ask that you join us today in prayer that hearts will be touched and that you make the investment in the future of HCC, its faculty, staff and students.
